CRYSTALION
by Elite Bohemia

seashell

How many dreams and wishes are hidden in a summer tale of one pearl. Just as a pearl formed in the heart of a pearl mussel can become a fascinating recollection of a unique moment, an original SEASHELL lamp produced by Crystalion can become a true gem in your interior.

And in the same natural way that Natural pearls are formed so SEASHELL lamps appear. With an emphasis on natural beauty and the permanent imprint of the handicraft of glass-makers. SEASHELL will charm with its precise and intricately worked details and provide an interior with a pleasant and restful atmosphere of a summer evening.

It may come in versions of crystal and crystal with gold and opal, embellished with a metal suspension system made from gold and nickel.

... charmed by the birth of a pearl
